Dear Wonderful Friends at The William J. Martin Foundation:

We again thank you and your Foundation for the extremely generous donations to our Foundation. We are pleased that we will be presenting \$60,000 in maturity value EE bonds to Michaela and Nathaniel Litton due to this generosity.

Michaela and Nathaniel lost their beloved father, Gunnery Sergeant Edwin Michael Litton on 11 March 2011. They reside with their mother, Elizabeth Litton, down in South Carolina. We so named these scholarships "The William J. Martin Foundation Special Scholarships" because it is important for these tragic families to know that their fellow Americans stand with them at this awful time. We will explain that funding for these scholarships were made possible by the memorial that honors Billy. Your great golf tournament made this possible and we can't think of a better way to so honor Billy Martin.

Most sincerely,

Pete Haas
President
